

Beggin' for Bullies Puppy Purchase Agreement

The buyer hereby agrees to purchase the puppy named
(_____) from Beggin' for Bullies for the price of \$ _____
plus shipping.

1. All puppies require a \$300.00 non-refundable deposit. Method of payment can be U.S. Postal Money Orders, Pay Pal, Cash and Personal Checks (for deposit only). Deposits are **non-refundable**. If something happens to your pup or if one is not available from this litter you will be given choice of a pup from the next available litter. If you change your mind and do not/can not get a puppy you forfeit your deposit.
2. Choice of puppy is determined on a first come (deposit received) first to choose basis.
3. All puppies will be sold with / without breeding rights.
4. All puppies are shipped at the expense of the buyer, at all times.

This Puppy is guaranteed as Follows:

1. To be in good physical condition for the first 48 hours after the time of shipping. The buyer agrees to have the puppy examined by a veterinarian within 48 hours after the delivery time for a complete physical examination. Failure of a buyer to take said puppy for a physical examination to the vet within 48 hours of shipping voids the puppy warranty in full. If a veterinarian finds the puppy to have a contagious disease or to have a serious physical condition other than a bacterial infection such as Coccidia or Giardia which are easily treated, the seller will replace the puppy with another puppy of comparable or better quality. The seller reserves the right to a second veterinarian opinion at the expense of the seller. No monies will be refunded.
2. To be free from any genetic / hereditary defects that cause death or serious impairment of the vital functions in the puppy until said puppy is one year of age. If such an inheritable defect is documented by a veterinarian and presented to the seller with sufficient supporting evidence, the buyer will be entitled to a replacement puppy of the same sex, of comparable or better quality, when available from same or upcoming litter. No cash given and we will not pay any vet bills or shipping costs.

3. Puppies are considered high risk for *Coccidia* and *Giardia*. These health issues are easily treatable. They are often brought on by the stress of shipping, a new home, new food, new people, and change of climate or surroundings. Shipped puppies seem more prone to showing symptoms of *Coccidia* or *Giardia*. All puppies are treated for *Coccidiosis* and *Giardia* before they leave. Treatment however is not a guarantee the puppy will not respond to the above issues. They can arise. But if they do, they are rarely serious (even though seeing blood in the stool would appear serious) and are easily treated. We will not cover the treatment of them.
4. Guarantee does not cover what in the Bulldog breed is considered normal; Cherry Eye, Entropion, loose hips, skin allergies, elongated soft palate, and stenotic nares.
5. It is understood at the time of this sale the puppy is not guaranteed for show or breeding quality. No size guarantee of this puppy.

The buyer and seller agree that this is the full and complete agreement that exists between the parties for the sale of this puppy.
